

 [linkedin.com/in/richietewierik](https://www.linkedin.com/in/richietewierik)

My name is Richie te Wierik.
Born December 3, 1986 in Nijmegen.

Over the years I learned a lot in a different range of media disciplines. Like:

- User Experience Design
- Front end coding
- User Interface design
- Hardware prototyping for installations
- Web design
- Print design

I describe myself as a real teamplayer who doesn't want to disappoint people or myself.

Other quality's:

Creative. Flexible. Helpful. Studious. Praktical.

WHAT I LIKE TO DO BESIDES BEING AN INTERACTION DESIGNER

In my free time I play games on my PS5 and watch movies and series.
since I was young, I play outdoor and indoor football in amature competitions.
I also like to hang and go out with friends from time to time.
